PERMISSIBLE FIREWORKS

The member jurisdictions of the Northern Virginia Fire Marshals determine the acceptability of consumer fireworks offered for sale in the Northern Virginia Region through an annual evaluation and review process. Consumer fireworks that meet the performance criteria specified in the Fire Prevention Code during the evaluation and review process are classified as permissible fireworks and approved for sale. Frederick County follows these guidelines for the sale of fireworks to the citizens of the county. Permissible fireworks added to this list after May 10, 2017 will be shown in **BLUE** at the end of the list. Deletions will be shown in **RED**.

NOTICE. It shall be unlawful for any person, firm, or corporation, whether wholesaler or retailer, to offer for sale or expose for sale any fireworks within Frederick County without first obtaining a Fire Prevention Code Permit (FPCP) from the County Fire Marshal. Furthermore, no wholesaler shall sell or deliver within Frederick County any fireworks other than those approved and included in this list of permissible fireworks.

The sale of permissible fireworks to persons under the age of 18 shall be prohibited unless the person is accompanied by a parent or legal guardian.
