Allenberry Playhouse Theatre: "The Man Who Saved Christmas"

ALLENBERRY PLAYHOUSE, BOILING SPRINGS PA

This very merry new holiday musical is based on the true story of A.C. Gilbert, inventor of the Erector Set. Set in 1917, when America was embroiled in the first World War, this "New Old-Fashioned" crowd-pleaser focuses on Gilbert's battle with the U.S. government as it attempts to ban toy sales during the holiday season. The toe-tapping melodies of the musical numbers accurately and charmingly echo the World War I era, and dancing factory workers, singing soldiers, chorus lines of happy kids, and know-it-all politicians make Mr. Gilbert's story sting! Price includes show ticket and transportation—dinner will be Dutch treat at a location TBD along the way home.

Murder at the Museum of American History Scavenger Hunt

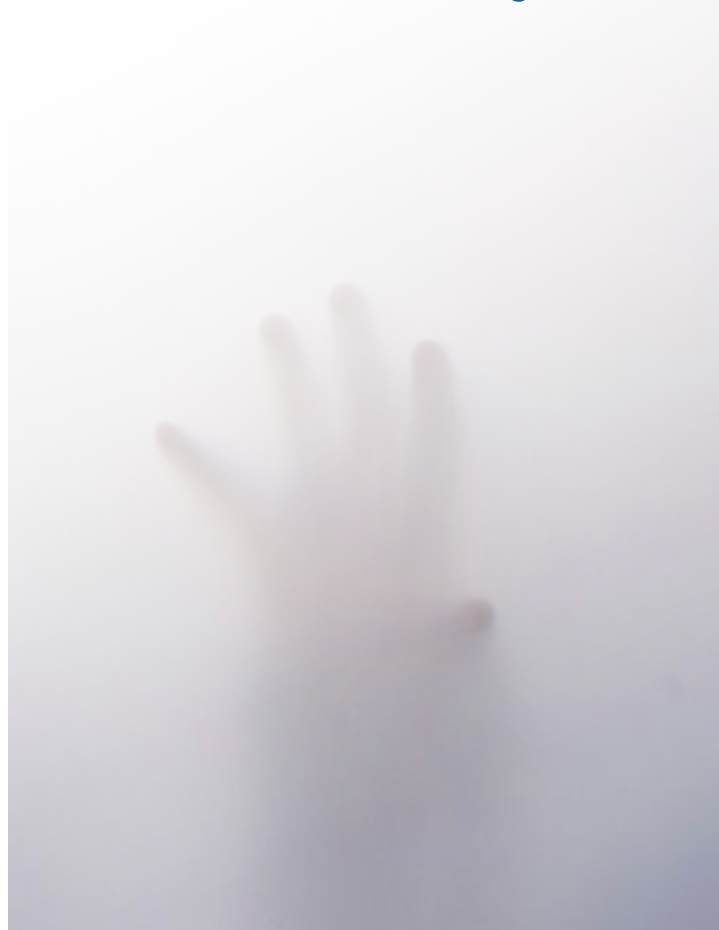

AGES 16+ (MINORS MUST BE ACCOMPANIED BY AN ADULT)

This scavenger hunt is played at the National Museum of American History in Washington, DC. The hunt is played on teams of two to six people. Total running time is approximately 2.5 hours. Someone, or something has been bumping off National Museum of American History staffers involved in the recent discovery of a long-lost invention by Benjamin Franklin. This "infernal machine" has a murky past Freemasons supposedly used it as part of a secret ritual. Are the deaths caused by the invention, or part of the fabled "Curse of the Freemasons"? Or is a serial killer on the loose? Your team of sleuths will have to crack a secret code and uncover the museum's secrets to solve the mystery and stop the killings. This hunt is for adults only. For murder hints, we strongly recommend hunting with a team of three or more. If you sign up with fewer than three people, we suggest pairing up with others at the start of the hunt to form a larger team. There is a maximum of six on a team.

Quick Start Tennis

AGES 4-11

Instructor: Matt Rosner, USPTA and FCPRD Tennis Staff

It's a whole new ballgame for kid's tennis! With equipment and balls tailored to suit their needs and abilities, kids will feel confident as soon as they pick up a racket. Using the Quick Start Tennis format makes it easier for kids to hit the ball over the net, enjoying the game right from the start. You'd never send your 8-year-old out with adult-sized equipment to a full-sized baseball field or basketball court, so why do that on a tennis court? Quick Start Tennis is played using a slower-moving and lower-bouncing ball, on smaller courts and utilizing shorter, lighter rackets. This program is designed to introduce the sport of tennis to kids using upbeat, positive, and encouraging coaching.
