

The Frederick County Sheriff's Office distributes a quarterly *Neighborhood Watch Newsletter*. We envision this to be instrumental in assisting the Sheriff's Office to communicate more effectively with the neighborhoods we serve. To help us with the endeavor, please email any questions or suggestions for the newsletter to rgatshal@co.frederick.va.us.

If you or someone else would like to start a neighborhood watch program, or would like to report any suspicious activity in your neighborhood, please contact:

Captain Aleck Beeman 1080 Coverstone Dr. Winchester, VA. 22602 1-540-662-6168 abeeman@co.frederick.va.us

> 107 North Kent Street Winchester, VA 22601 (540) 665-5600

Things Your Burglar Won't Tell You:

- 1. Of course I look familiar. I was here just last week cleaning your carpets, painting your shutters, or delivering your new refrigerator.
- 2. Yes, I really do look for newspapers piled up on the driveway. And I might leave a pizza flyer in your front door to see how long it takes you to remove it.
- 3. If decorative glass is part of your front entrance, don't let your alarm company install the control pad where I can see if it's set. That makes it too easy.
- 4. A good security company alarms the window over the sink. And the windows on the second floor, which often access the master bedroomand your jewelry. It's not a bad idea to put motion detectors up there too.
- 5. I always knock first. If you answer, I'll ask for directions somewhere or offer to clean your gutters. (Don't take me up on it.)
- 6. Do you really think I won't look in your sock drawer? I always check dresser drawers, the bedside table, and the medicine cabinet.
- 7. You're right: I won't have enough time to break into that safe where you keep your valuables. But if it's not bolted down, I'll take it with me.
- 8. A loud TV or radio can be a better deterrent than the best alarm system. If you're reluctant to leave your TV on while you're out of town, you can buy a \$35 device that works on a timer and simulates the flickering glow of a real television.
- 9. Sometimes, I carry a clipboard. Sometimes, I dress like a lawn guy and carry a rake. I do my best to never ever look like a crook.
- 10. The two things I hate most: loud dogs and nosy neighbors.
- 11. I'll break a window to get in, even if it makes a little noise. If your neighbor hears one loud sound, he'll stop what he's doing and wait to

hear it again. If he doesn't hear it again, he'll just go back to what he was doing. It's human nature.

- 12. I love looking in your windows. I'm looking for signs that you're home, and for flat screen TVs or gaming systems I'd like. I'll drive or walk through your neighborhood at night, before you close the blinds, just to pick my targets.
- 13. Avoid announcing your vacation on your Facebook page. It's easier than you think to look up your address.
- 14. To you, leaving that window open just a crack during the day is a way to let in a little fresh air. To me, it's an invitation.
- 15. If you don't answer when I knock, I try the door. Occasionally, I hit the jackpot and walk right in.

If you see any suspicious vehicles in your area, document the date, time, vehicle description, people description and vehicle registration and contact the Frederick County Sheriff's Office at 540-662-6162.

Over the past several months situations have been reported with a suspect vehicle being a 2000 grey\silver Dodge Durango, WV 2LX677. Individuals are knocking on doors stating they are selling Kirby vacuums, cleaning homes, or offering free air freshener.
