THIS LEASE AGREEMENT ("the lease") made this _____ day of _____, _____, by and between THE WINCHESTER REGIONAL AIRPORT AUTHORITY ("Lessor"), _____ ("Lessee") provides as follows:

1. Lease. For and in consideration of the mutual covenants and agreements hereinafter set out, Lessor hereby agrees to lease unto Lessee, and Lessee hereby agrees to lease from the Lessor, certain hangar space for storage of the following aircraft in the T-Hangar identified below:

Hangar Number _____

N-Number _____

The Leased Premises will be the hangar space set forth above at the Winchester Regional Airport. The Lessee will further have reasonable, necessary rights of ingress and egress over Lessor's common property for access to and use of the Leased Premises.

If the Lessee does not own or lease an aircraft on the commencement date of this lease, he/she may, upon approval by Lessor, lease the hangar for a maximum period of ninety (90) days, in order to acquire an aircraft. **During such time, the Lessee may not sublet or assign the lease, and may not otherwise allow any other aircraft to be stored in the hangar.** If, within ten (10) days prior to the end of the ninety day period the Lessee can demonstrate specific plans for the acquisition of an aircraft that have not been finalized, but can clearly demonstrate that the aircraft will be acquired within twenty (20) days of the end of the ninety day period, the ninety day period may be extended for a maximum of twenty days. If no aircraft is procured in that time, the lease shall terminate automatically.

2. Rent Amount. The Lessee shall pay \$_____ per month, assessed and due on the **first day of each calendar month with the first month's rent due upon signing of this lease. The rental rate is subject to an automatic annual three percent (3%) increase assessed on the first day of July of each year.**

Rental rate is subject to **other increases** by Lessor upon thirty (30) days written notice. Any such rent changes shall be consistent for all T-Hangar tenants, except as otherwise provided.

3. Terms. This Lease will commence on _____, 20_____, and remain in effect for one month. Thereafter, this Lease will continue in effect on a monthly basis being automatically renewed on the first day of each month **unless thirty (30) days advance written notice** is given by either party that the Lease will not be renewed, or this Lease is terminated pursuant to paragraph 13.

Personal property related to stored aircraft may be kept in the Leased Premises, subject to the terms of this Lease, and the Minimum Standards Rules and Regulations for the Airport (the Minimum Standards), which, as amended from time to time, shall be incorporated into the terms of this Lease.

Lessee certifies that the aircraft identified above is owned by him or is leased by him on a basis of not less than a twelve (12) month lease. In the case of a leased aircraft, the Lessee shall provide Lessor of a copy of the lease upon request of the Lessor. Lessee agrees to notify Lessor prior to changing the stored aircraft

and agrees that no aircraft other than the one identified in paragraph one (1) of this lease may be stored, without prior written approval of the Lessor.

If Lessee sells or otherwise disposes of the above-identified aircraft, Lessee agrees to immediately notify the Lessor of such sale or other disposition. Failure to do so shall terminate this lease agreement automatically. Upon written request to Lessor accompanied by a notice of sale and upon a showing that the Lessee has reasonable plans to replace the aircraft with another aircraft, the Lessee may continue to lease the hangar for a maximum period of six (6) months, which six month period may not be extended or renewed, during which time Lessee may sublet the hangar, subject to the terms of section 14 of this lease, however total lease/sublease time shall not exceed a period of six (6) months. Lessee shall provide the Lessor the name, address, telephone number of the replacement aircraft owner in addition to the information related to the aircraft required by section One (1) of this lease.

Lessee shall conduct no commercial activity of any kind whatsoever in, from or around the Leased Premises. The Lessee shall perform no maintenance on the aircraft of any kind in, from or around the Leased Premises, except such minor preventive maintenance as would normally be performed by an aircraft owner with ordinary hand tools. Lessee shall be liable for any damage to property of Lessor and/or other users of the airport, arising from the acts or omissions by Lessee or Lessee's agents, employees, invitee, or guests. Lessee shall keep the floor of the Leased space clean and free of debris at all times. The Lessor strictly prohibits the removal of flight control surfaces, spray painting, sandblasting, welding and/or burning, in, from or around the Leased Premises.

5. Responsibility for Securing Aircraft. Lessee shall be responsible for proper securing of the aircraft. Neither Lessor nor any of its officers, directors, agents and employees shall have any liability to Lessee or any other person for any loss or damage resulting from any such movement of the aircraft or from any failure to move the aircraft, whether occurring by negligence or otherwise. Lessee waives any rights against Lessor, its officers, directors, agents and employees due to such movement.

6. Aircraft Airworthiness. Lessee agrees that the aircraft shall be kept airworthy at all times, except during periods for repair or maintenance. The maximum time during which an aircraft may be allowed to remain in a non-airworthy condition shall be thirty (30) days. Upon written request by Lessee, Lessor, at its sole option, may extend the period for maintenance or repairs for an additional period not to exceed sixty (60) days. Lessee hereby assumes and shall bear the entire risk of loss or destruction or damage to aircraft (including its contents, gear and equipment), vehicles and any other of Lessee's property, from any and every cause whatsoever, (including but not limited to fire, theft, vandalism, water damage and any negligent acts or omissions by Lessor). Upon request by Lessor, Lessee shall present the documentation necessary to prove that the aircraft is insured in a manner required by this section,

Lessee shall pay or reimburse to Lessor all costs incurred or charged by Lessor and any third-party due to such removal. Lessee agrees that Lessor, its officers, directors, agents and employees shall have no liability to any person for any loss or damage resulting from any such removal or failure to remove, whether occurring by negligence or otherwise, and Lessee waives any rights against all such persons and entities because of such a removal.
