Treatment Levels:

Therapeutic Support Level 1 (Mild): \$95.00/day A child served at Level 1 ongoing treatment foster care will demonstrate a mild level of social/emotional/behavioral/medical/personal care needs or impairment for normal range of age and development; such as but not limited to, depression, anxiety, impulsivity, hyperactivity, anger control, adjustment to trauma, oppositional, substance use, eating disorder, physical health condition, developmental delay, or intellectual. The child's needs require monitoring or agency may need to provide services to lessen likelihood needs will return.

The child served at this level will receive case management services at no less than two face to face contacts per month, of which one will include the foster parents to continue to assess the relationship and stability of the placement.

Therapeutic Support Level 2 (Moderate): \$110.00/day A child served at Level 2 ongoing treatment foster care will demonstrate a moderate level of social/emotional/behavioral/medical/personal care needs or impairment for normal range of age and development; such as but not limited to, depression, anxiety, impulsivity, hyperactivity, anger control, adjustment to trauma, oppositional, substance use, eating disorder, physical health condition, developmental delay, or intellectual. The child's needs require that action (interventions, services supports, etc) be taken to address, remedy or ameliorate the needs. The child served at this level will receive case management services at no less than three face to face contacts per month, of which one will include the foster parents to continue to assess the relationship and stability of the placement.

Therapeutic Support Level 3 (Significant): \$131.00/day A child served at Level 3 ongoing treatment foster care will demonstrate a significant level of social/emotional/behavioral/medical/personal care needs or impairment for normal range of age and development; such as but not limited to, depression, anxiety, impulsivity, hyperactivity, anger control, adjustment to trauma, oppositional, substance use, eating disorder, physical health condition, developmental delay, or intellectual. The child's needs are of such acuity or severity that they require intensive action (interventions, services, supports, etc.) be taken to address, remedy or ameliorate the needs. A child served at this level may be at risk of residential placement. The child served at this level will receive case management services weekly. At least one face to face visit will include the foster parents to continue to assess the relationship and stability of the placement.

Non-treatment Foster Care: \$78.00/day Children served at the non-treatment level of foster care may be developmentally on target, demonstrated age appropriate behaviors, able to participate in community activities without restriction, or be the sibling of a child who meets the criteria for ongoing TFC placement in the same foster home. Children shall be served at the Non-Treatment Foster Care level if the assessment indicates treatment foster care services are not needed. Services offered at this level will include: At least one face to face monthly visit with the consumer and foster parent. Availability of the agency On-Call system

Short Term Foster Care/Emergency Care-\$135.00/day

This service provides respite to caregivers by placing the child in a treatment foster home on a short term basis. The temporary stay gives caregivers an opportunity to stabilize their environment, make it safe, build supports, to maintain the family unit and prevent placement in a more restrictive setting. Short term foster care includes supervision and support from the foster family and trained staff, as well as emergency services. This may also be used for a youth needing a short stay that was previously in foster care.

Assessment Level Treatment Foster Care \$150.00/day: Children served at the assessment level of treatment foster care are those who are newly placed with a licensed child placing agency and for whom an assessment to determine the appropriate level of foster care services is being conducted.
