FREDERICK COUNTY PARKS AND RECREATION
COVID-19 INFORMATION
UPDATED: TUESDAY, JUNE 30, 2020

FCPRD Re-Opening Plan for the Summer 2020

In response to the COVID-19 pandemic, Parks and Recreation cancelled programs and closed recreation facilities based on recommendations from the Centers for Disease Control and Prevention (CDC), Virginia Department of Health (VDH), Virginia Department of Social Services (VOSS), and the Governor's Stay at Home Guidelines. Recently, the Governor of Virginia initiated Safer at Home with Phase 3 general parameters.

Below you will find an outline of the Parks and Recreation Department's plan to open recreation facilities and programs in Phase 3. We understand compliance is needed with guidelines from the CDC, VDH, VDSS, and specifics of the Governor's Safer at Home Guidelines.

In response to Phase 3 of the Virginia COVID-19 Reopening Plan:

(Phase 3 begins Wednesday, July 1)

Registering for a Program with Frederick County Parks and Recreation

It is highly encouraged that everyone uses our online registration system or contacts us via the phone at 540-665-5678. Hours of operation are Monday – Friday from 8 am-5 pm. We are asking those who must come in physically to park in the parking lot on Cameron Street and enter through the double doors which will be unlocked from 8am-5pm. There will be a deputy on duty to guide people through the building to help maintain safe social distancing. Visitors will see signage posted about keeping social distancing, and they should follow tape marks on the floor to help maintain the recommended 6 feet distance. Some people may be required to wait outside depending on the number of people waiting.

When it is necessary or required to come into the office, call ahead to schedule an in-person meeting, so staff can be prepared to meet with you. With new CDC guidelines in place, we have been forward thinking about how we notify the public.

As we transition into our new registration procedure, patrons may experience the following during a visit; wearing a face covering, maintaining social distancing of 6 feet, barriers between staff and patrons, and limited access to office building.
