## **Newport News Behavioral Health Center**

### **FY 2021 Education Rate Justification**

The Academy at Lee Hall will add several enhancements in FY 2021, to include CPR/First Aid/AED training, with Driver's Education included in the Health curriculum; Office Skills Bookkeeping training and other CTE courses from Project Discovery.

Barbering and Cosmetology will be offered, along with Snap-On certificate trainings.

A greenhouse and agricultural spaces will be developed on grounds.

The Academy supplements teaching resources using technology applications such as Discovery Education, BrainPop, and Flocabulary.

An upgrade to current editions for all subject area textbooks will be complete.

Students pursuing an alternate route to a high school diploma will be able to participate in ISAEP through our well established, state-approved program.
