### Residential Services Provided at: Harbor Point Behavioral Health Center, 301 Fort Lane, Portsmouth, VA 23704

ASSESSMENT & DIAGNOSTIC PROGRAM – available for males and females, ages 7 – 18, with an anticipated stay of 45 – 90 days. This program offers a highly structured, secure setting for youth experiencing significant impairment in their emotional and behavioral functioning who are in need of a comprehensive, multi-systemic diagnostic evaluation to determine recommendations and options for treatment services. Youth would not meet medical necessity criteria nor would they be involved in the IACCT process at this time. At the time of discharge, a comprehensive report will be provided to include all assessments, evaluation and testing results as well as treatment recommendations.
