2022 EVENT

April 7 @ Emil & Grace Shihadeh Innovation Center
536 Jefferson St, Winchester, VA 22601

→ **The Widget Cup®** event is an annual design/build competition for Career & Technical Education (CTE) students from Clarke County, James Wood, John Handley, Millbrook, and Sherando high schools in Frederick County, Clarke County, and Winchester, Virginia. Eight-person teams compete as they design and build a pre-determined widget, and then present their prototypes to the client.

The Widget Cup® event is part of Frederick County Economic Development Authority's Career Pathways program.
