INTERSTATE ROAD IMPROVEMENT PLAN

for

FREDERICK COUNTY, VIRGINIA

Frederick County Transportation Committee: 5/23/22

Frederick County Planning Commission: 6/01/22

Frederick County Board of Supervisors: 6/08/22

I-81 Improvements:

Provide additional travel lanes on the main line, evaluate collector-distributor lanes adjacent to the main line, modifications to existing interchange areas, and develop new interchange areas and bridge crossings of the main line as recommended by the WinFred MPO Long Range Plan.

In addition, as the State continues to work toward an ultimate plan for the I-81 widening, the County of Frederick continues to support the study of Eastern Route 37 as a potential corridor on new location as an alternative for that effort.

All projects in the vicinity of future I-81 connections for Route 37 should be scoped to consider that project to prevent conflicting improvements and make sure to accommodate that future connection.

Moreover, the County of Frederick supports exploration of the potential for rail transportation as a component of the Interstate 81 Corridor improvements.

Interchange Priorities

1. Exit 317 – Interchange Upgrade and Redbud Road realignment to accommodate interchange upgrade. Improvements to bridges and the north end of the interchange should work to accommodate the future Route 37 north connection.
2. Exit 307 – Safety and capacity improvements to the existing facility while continuing to promote the future relocation further south to the South Frederick Parkway.
3. Exit 313 - Bridge reconstruction, safety improvements, and capacity expansion.
4. Exit 323 – Interchange Upgrade
5. Exit 310 - Phase 2 of the FHWA approved interchange modifications.
6. Exit 307 – Interchange Relocation
7. Exit 321 – Upgrade to split interchange between Hopewell Rd and Cedar Hill Rd

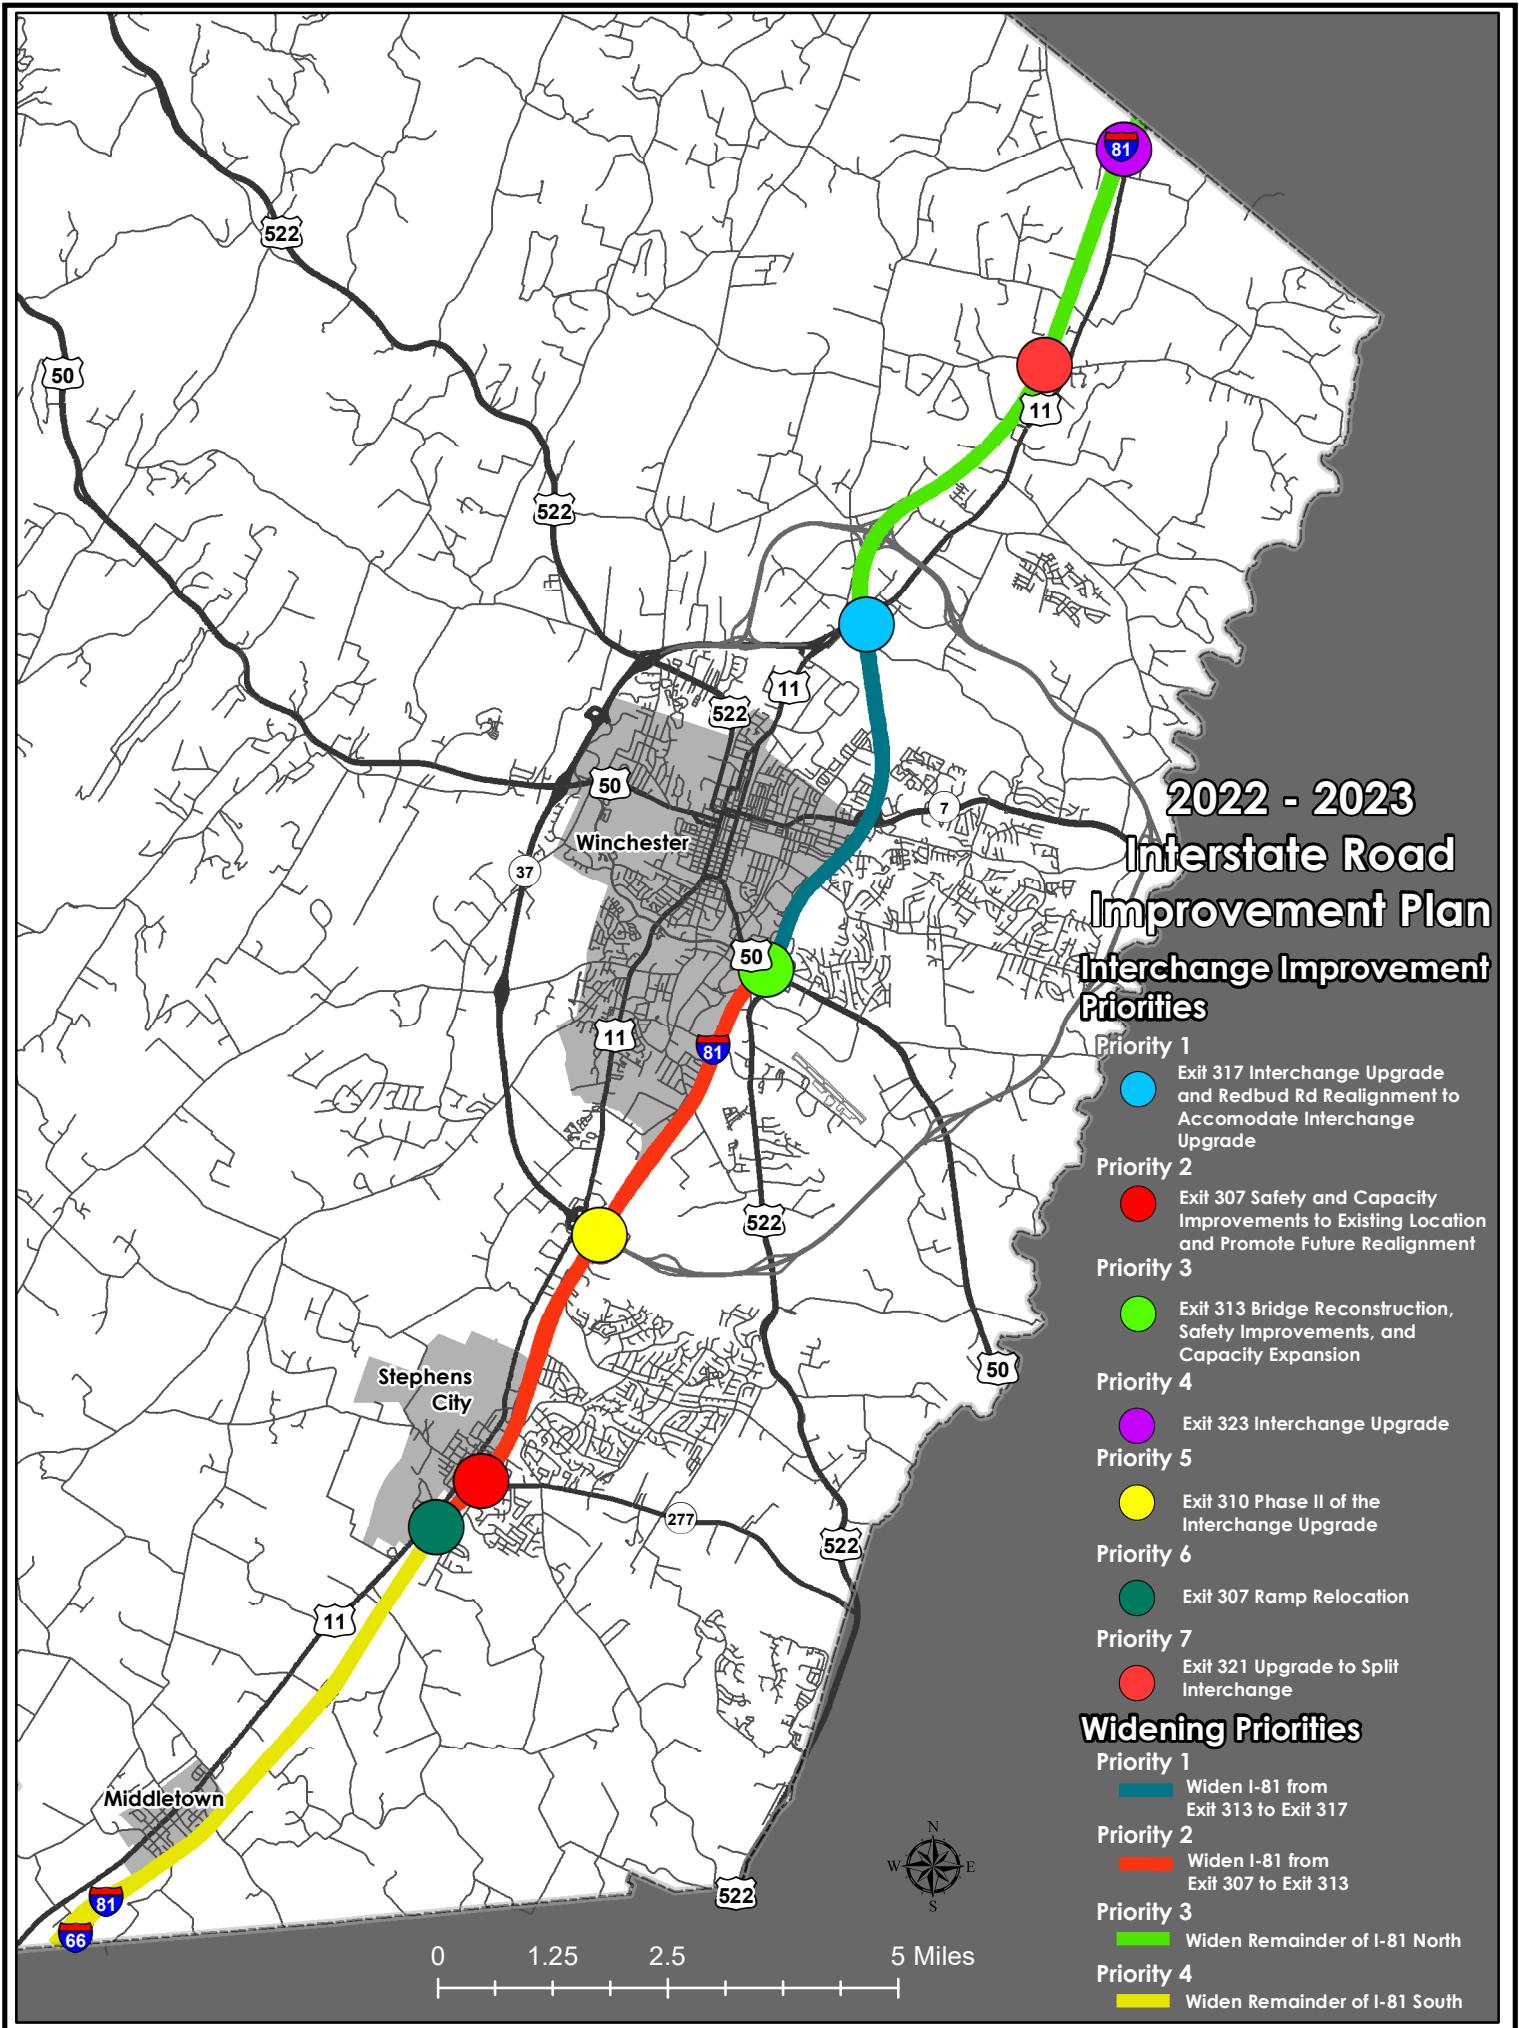

Interstate Widening Priorities

1. Widen I-81 from Route 50/17 Exit 313 to Route 11 Exit 317
2. Widen I-81 from Route 277 Exit 307 to Route 50/17 Exit 313. This should include the relocation of Exit 307.
3. Widen I-81 in Frederick County from Route 11 Exit 317 to the West Virginia State line

4. Widen I-81 in Frederick County from Route 277 Exit 307 to the Warren County Line in the South

Intelligent Transportation Systems and Incident Management

1. Increase of VDOT safety patrols.
2. Implement more variable message signs along the I-81 corridor and approaches.
