ITEMS REQUIRING ACTION BY BOARD OF SUPERVISORS:

None

ITEMS SUBMITTED FOR INFORMATION ONLY

1. The Building and Grounds Committee made a motion to approve a request by the Kernstown Battlefield Association for a trail connection between their Sandy Ridge property and Rose Hill Park. This would be a natural surface hiking trail with installation and maintenance being the responsibility of FCPRD, seconded by Mr. Sandy, carried unanimously (7-0).

2. The Buildings and Grounds Committee made a motion to approve the installation of a Public Safety Radio Tower at Clearbrook Park, seconded by Mr. Sandy. Based on assurances that should Frederick Water ever need to install a water tower in Clearbrook Park, the Public Safety Radio equipment will be integrated leaving only one tower at the park, the motion carried unanimously (7-0).

3. The Buildings and Grounds Committee is recommending the installation of a fence at Stonewall Park to separate users from the road near Roper Field and the fields dugouts. In response to citizen comments regarding play features at Stonewall Park, the Committee is requesting that staff return with playground options for their consideration.
