### **Inclement Weather Make Up Policy**

The Educational Development Center does not build any days into the schedule for snow or inclement weather closings.

In the cases of inclement weather the Educational Development Center follows Richmond City Public Schools Closings. Parents are instructed to watch the local news to determine if Richmond City Public Schools have made the decision to close schools for the day.

The Educational Development Center will use the next available half day Friday to make up missed days, by extending the school day to a full day.

The Educational Development Center will notify the local school district within one week, of the Inclement Weather Make-Up Day Schedule.

\*Please note the Inclement Weather Billing Policy on the EDC Rate Sheet.
