Tuition - Day School Services	\$230.27/day	\$224.91/day	\$224.91/day	\$219.30/day		\$224.91/day	Licensed and trained teachers and assistant teachers provide instruction based on Virginia's K-12 curriculum and the student's Individualized Education Program (IEP). Students work toward short term and long term goals that ultimately allow for placement back to the home school environment. A Functional Behavior Analysis is conducted on each student. The resulting data is used to create a Behavior Intervention Plan with the intent to reduce or replace negative behaviors with appropriate behaviors. Daily reports are sent to parents and the student is monitored twice during a grading period or as the IEP dictates. Parents are contacted weekly by phone, home visits, email, or at the school to maintain parent involvement. The daily rate is applied to all days of the student's enrollment, including days absent for any reason.
Tuition - Day School Services Half-day	\$115.14/day	\$112.46/day	\$112.46/day	\$109.65/day		\$112.46/day	Minnick School offers prorated tuition rates to accommodate students who require instruction for a portion of the day. (Rate shown based on 1/2 day of attendance. All other partial days will be billed according to the portion of the day attended.) The daily rate is applied to all days of the student's enrollment, including days absent for any reason.
Tuition - Day School Services Autism/Multi-Categorical	\$311.08/day	\$311.08/day	\$361.02/day	N/A	\$312.12/day	\$305.88/day	All educational staff members are trained in using Applied Behavior Analysis. Academic and behavioral skills are broken into small measurable units and are positively reinforced, helping students to continue the positive behavior in all environments. Each student has a prepared program book addressing various protocols used in instructing the student in zones of Academic, Leisure, Independent Activities, and Vocational Activities. Data is maintained on each student while in each zone. This data is used to adjust instruction and protocols. A Board Certified Behavior Analyst oversees all Autism and Multi-Categorical Services and collects data on educational staff so they maintain a desirable level of performance in working with students. The goal of the services is to return the student to the public school or to an agreed upon, supportive environment. The daily rate is applied to all days of the student's enrollment, including days absent for any reason.
Tuition - Day School Services Autism/ Multi-Categorical Half-day		\$156.06/day	\$180.51/day	N/A	\$156.06/day	\$152.94/day	Minnick School offers prorated tuition rates to accommodate students who require instruction for a portion of the day. (Rate shown based on 1/2 day of attendance. All other partial days will be billed according to the portion of the day attended.) The daily rate is applied to all days of the student's enrollment, including days absent for any reason.
Tuition - Vocational Program		N/A	\$304.16/day	N/A		N/A	Starkey Station Program: Vocational program serving students ages 15-22 providing instruction on academic, behavioral, leisure, independent activities, and vocational skills. Vocational skills include skills that are used in a community placement for supported employment. The program serves high functioning students on the spectrum as well as MD/ID students. Educational staff members are trained in using Applied Behavior Analysis. Data is collected and maintained on each student throughout the day. The goal of the service is to return student to the public school or to an IEP agreed upon, supportive environment to maintain above IEP goals and skills. This is a 205 day program for students. The daily rate is applied to all days of the student's enrollment, including days absent for any reason.
Educational Aide		\$32.00/hour	\$32.00/hour	\$32.00/hour	\$32.00/hour	\$32.00/hour	Behavior support aides are required to implement a Behavior Intervention Plan. The Educational Aide takes data on behaviors indicated in the Behavior Intervention Plan. The Educational Aided support is typically required to maintain the student's placement with the goal of phasing the Educational Aide out of the student's educational program. Behavior Aides are trained in strategies based on the science of Applied Behavior Analysis and in de-escalation and physical management techniques.
