Camp basicREC is back again for 10 weeks of fun filled summer activities! Camp basicREC is conveniently located and is designed to keep your child involved in activities that go on throughout the day, all summer long. Summer days will be filled with special activities, events, group games, playground time, water play, organized sports and games, arts and crafts, swimming, field trips, and time to just relax! Included are weekly pool days (weather-permitting) at either Clearbrook or Sherando Park--all campers will have their swimming skills assessed prior to being permitted to swim. Morning and afternoon snacks will be provided, but you are welcome to bring these from home. Make sure that your camper is lathered in sunblock daily before coming to camp and that they bring their water bottle, a non-perishable lunch which does not need preparation, towel, sneakers, swimsuit, spray sunblock, water shoes, and a t-shirt. **More detailed information is available in the Parent Handbook.**

COMMUNITY & RECREATION

BASIC ESSENTIALS OF SURVIVAL

Imagine this scenario: you are out for a fun day in the woods when you step off trail for just a moment -to see a waterfall, a cool mushroom, or to use the bathroom. You turn around and you can no longer see the trail or any of your group members. You begin walking back in what you believe is the right direction, but the woods seem to stretch on endlessly. You come to the realization that you are lost...now what? This class is designed to equip you with fundamental skills that can increase your chances of being rescued and surviving an unexpected night in the woods. It will also highlight essential items that you should always carry with you to improve your survival prospects and facilitate self-rescue.

RECREATIONAL KAYAKING

Join us for a two-day kayaking course. Day one takes place at Sherando Pool, designed for beginners to learn safety, skills and have fun. Limited kayaks available, so reserve one when you register. Participants under 18 need to be accompanied by a responsible family member. The next day, we'll meet at Lake Frederick for a 3-4 hour paddle. Bring your own water, lunch, snacks, sunscreen, hat, and a waterproof bag for personal items. **Meeting Times: Saturday at 9 AM - 12 PM & Sunday at 10 AM - 2 PM.**

Phase One: Bring your basic kayaking equipment to Sherando Pool for a one-day course designed to emphasize safety, enjoyment, and skill acquisition for the novice kayaker! We have a limited number of kayaks available so please contact us when you register to reserve one. We will cover the basics, based on the American Canoe Association Intro to Kayaking Level 1 standards--entry/exit, strokes, emergency procedures and more. Participants under 18 years of age must be accompanied by a responsible family member.

Phase Two: We will meet the following day at Lake Frederick to practice what we learned and enjoy a paddle on Lake Frederick! We will be on the water for roughly 3-4 hours and all equipment will be provided (unless you bring your own). Ensure you have enough water, a lunch and snacks, sunscreen, a good hat and a waterproof bag (Ziploc-type) for phones, keys, etc. as well as the items from Phase One.

Equipment Requirements: kayak, PFD, paddle, helmet, water shoes or tennis shoes (no sandals or flip flops allowed). Don't forget dry clothes to change into. Please let us know on your registration if you need additional equipment provided.

GROUP SWIM LESSONS

FCPRD follows the guidelines of the American Red Cross Learn to Swim program. Each level is based on a skills progression and may need to be repeated until the student is comfortable enough to progress to the next level. **We do not encourage you to sign up for more than one week of lessons at a time, we cannot adjust for situations where advancement was not met in the previous session. Our entire schedule of group swimming lessons is available on the next page.**

INTRODUCTION TO SWIMMING [↗](#)

This course is designed for 3-5 year olds. Interactive games and activities will be featured and are intended to encourage your child to enjoy the water. This class will help participants become more familiar and independent in the water. The focus of this class will include water entry and exit, underwater skills, floating and gliding with assistance, arm and leg action, and water safety.

LEVEL 1 [↗](#)

Level 1 introduces basic aquatic skills, which participants will continue to build on as they progress through Levels. In addition, participants start developing positive attitudes, effective swimming habits and safe practices in and around the water.

LEVEL 2 [↗](#)

Participants will learn to glide and float without support and recover to a vertical position. Participants further develop simultaneous and alternating arm and leg actions on the front and back, laying the foundation for future strokes. New water safety topics are introduced, and previously acquired water safety knowledge and skills are reinforced.

STROKE DEVELOPMENT (SD) [↗](#)

This program helps participants improve their swimming abilities and stroke development. They will learn survival floating, front crawl, and elementary backstroke at a fundamental level. Scissors and dolphin kicks will be introduced, along with rules for headfirst entries if the water is 9 feet deep or deeper. They will continue to improve their skills and endurance by adding arm actions to previously learned kicks, learning breaststroke, back crawl, and simple open turns.
