Classes are departmentalized by subject area. Students in grades 6-12 participate in Career and Technical Education classes that may include community based learning opportunities and/or work-based learning opportunities tailored to meet individualized transition goals. Community Based Employment Support (CBES) is available to students in paid positions and is billed separately from daily tuition. Students work toward short term and long term goals that ultimately allow for placement back to the home school environment. Board Certified Behavior Analysts (BCBAs) and Behavior Specialists are available to provide consultation, training, and support to students and staff. Functional behavior assessments (FBAs) are completed by BCBAs and Behavior Specialists as requested by the IEP team. The resulting data may be used to create a function-based behavior intervention plan that includes strategies to decrease dangerous, disruptive, and interfering behaviors. Behaviors of concern are monitored using 15-minute partial interval recording and daily reports are sent to parents along with behavior summaries being provided to parents and LEAs at the midterm and end of each 9-week grading period. Academic grades and IEP goal progress reporting is provided to parents and LEAs at the midterm and end of each 9-week grading period. Parents are contacted weekly to maintain parental involvement. The daily rate is applied to all days of the student's enrollment, including days absent for any reason.

Classrooms are staffed accordingly to meet the highly individualized needs of each student and provide intensive behavior support services. Students work toward short-term and long-term goals to return the student to the public school or to an agreed upon, supportive environment. Educational staff receive ongoing training, consultation, and support from Board Certified Behavior Analysts (BCBAs) and Behavior Specialists on basic principles of behavior analysis and evidence-based behavior analytic interventions to help students be successful. Behavior analytic strategies are incorporated into instruction. Reinforcement systems and visuals supports are individualized for each student to increase desired behaviors and promote independence. Behaviors of concern are monitored using 15-minute partial interval recording and daily reports are sent to parents along with behavior summaries provided to parents and LEAs at the midterm and end of each 9-week grading period. An antecedent-behavior-consequence (ABC) protocol that outlines consistent responses to behaviors of concern based on Safety Care de-escalation techniques and incident prevention strategies is written for each student. Functional behavior assessments (FBAs) are completed by BCBAs and Behavior Specialists as requested by the IEP team. The resulting data may be used to create a function-based behavior intervention plan that includes strategies to decrease dangerous, disruptive, and interfering behaviors and teach appropriate replacement behaviors. Academic grades and IEP goal progress reporting is provided to parents and LEAs at the midterm and end of each 9-week grading period. Parents are contacted weekly to maintain parental involvement. Concentrated Behavior Support Services		\$35/hour	\$35/hour	\$35/hour	\$35/hour	\$35/hour	\$35/hour	\$35/hour	\$35/hour	Behavior support staff are trained in strategies based on the science of Applied Behavior Analysis and in de-escalation and physical management techniques. Behavior support staff implement ABC protocols and Behavior Intervention Plans (BIP) and take data on the behaviors included. Typically, this level of support is required to maintain the student's placement with the goal of phasing out the services as the student's behavior data reflects consistent improvement. Students enrolled in classrooms with intensive staffing levels will not be billed separately for concentrated behavior support services.
Community Based Employment Support		\$40/hr	\$40/hr	\$40/hr	\$40/hr	\$40/hr	\$40/hr	\$40/hr	\$40/hr	Community Based Employment Support (CBES) can be provided to our clients as an add-on to their educational services. Individualized CBES services help create real life solutions to maximize independence, employability, and full inclusion within society. CBES services can include but are not limited to: assistance with non-medical activities critical to employment (i.e. dressing, hygiene, meal preparation), time management, self-advocacy in the workplace, job skills instruction, resume preparation, application assistance, and interview preparation. Collaboration with the student's support system outside of school is critical to success and is included in CBES services.
