Greetings,

We want to inform you of a **3.49%** rate adjustment for our therapeutic services, effective **July 1, 2025**. This decision follows careful evaluation of key factors necessary for maintaining the quality, sustainability, and continued growth of our services.

Why the Rate Adjustment?

- 1. Rising Operational Costs:** Inflation and increased expenses for facilities, utilities, insurance, and administrative operations require adjustments to sustain our agency's financial health.

- 3. Professional Development:** We continue to invest in staff training, certification, and education to ensure the highest standards of care.
- 4. Staff Retention & Competitive Compensation:** Attracting and retaining top-tier professionals is essential to maintaining high-quality care. The adjustment allows us to offer competitive salaries and benefits, ensuring consistency in client relationships.
- 5. Enhanced Client Support & Accessibility:** We are expanding support services, including extended availability, improved response times, and additional client resources, ensuring a more comprehensive and accessible experience.

We understand that any change in rates impacts our clients, and we remain committed to providing exceptional care and support. If you have any questions or concerns, please don't hesitate to reach out at **[coach@iwill.today](mailto:coach@iwill.today)** or by phone.
