Re: Rate Sheet

TO WHOM IT MAY CONCERN

I am writing in response to your request for definition of services that I will offer to Frederick County referrals.

These services include:

1. Psychological Evaluation (child)(rate: \$1500)
 - includes testing in the areas of:
 - collateral/records review
 - cognitive testing
 - academic screening
 - psychological testing
2. Psychological Evaluation/Parental Capacity Evaluation (adult)(rate: \$2500)
 - includes testing in the areas of:
 - collateral/records review
 - cognitive testing
 - academic screening
 - psychological testing
 - parenting knowledge and the status of the relationship with their child or children
 - one hour of observation between the parent and child(ren)
2. Neuropsychological Evaluation (child/adult) (rate: \$3500)
 - includes testing in the areas of:
 - collateral/records review
 - cognitive testing
 - academic screening
 - attention
 - verbal information processing
 - nonverbal information processing
 - executive functioning
 - psychological testing
 - adaptive behavior functioning
 - presence on the autistic spectrum
 - for adults, additional measures in the area of parenting knowledge and the status of the relationship with their child or children is included

3. Parent-Child Observation (rate: \$750)
 - includes:
 - parent interview
 - observation of the interaction between the parent and child(ren)
4. Court Testimony (rate: \$200/hour)
 - participation in court trials to provide expert testimony regarding evaluations conducted

Hope that clarifies

Respectfully yours,
