

FREDERICK COUNTY, VIRGINIA GIS MATERIALS PRICING GUIDE

**AS OF NOVEMBER 1, 2009
PER PATRICK FLY, GIS MANAGER**

NEW DATA PRODUCTION:

Any mapping request that has not already been produced and on file, that requires a technician to spend additional time in map production, the requesting agent will be charged a set rate of \$15.00 per hour, one hour minimum, for the amount of time it takes to complete the project. At the time of placing such an order, staff will give the requesting agent an estimate of production time and any associated fees.

This production fee will be charged in addition to the production fee, for maps requiring construction of new data, or maps and analysis not already in the system.

GIS staff will be allowed up to five (5) days to complete an accepted project. A projected completion date and time will be given upon acceptance of an order. Staff members will make every effort to complete requested project within five (5) days. If the deadline cannot be met, an additional seven (7) days may be requested.

NOTICE: WE ACCEPT VISA CARD, MASTERCARD, DISCOVER CARD, AND CHECKS. EACH CARD IS CHARGED AN ADDITIONAL 2.30% CREDIT CARD FEE. CHECKS SHOULD BE MADE PAYABLE TO "TREASURER OF FREDERICK COUNTY, VIRGINIA." THANK YOU.

PAPER MEDIA:

All standard map production in paper media will be priced by sheet size, regardless of whether it is black-and-white, color, or data type.
