### Drug Testing

As part of your supervision with the Old Dominion ASAP First Offender Drug Program, you will/may be required to provide a urine sample to test for illegal substances. You must be prepared to submit a urine sample at each appointment. To avoid submitting an abnormal adulterated or diluted specimen, you must adhere to the following guidelines.

1. Drink no more than 8 ounces of liquid every ½ hour to submitting a urine sample
2. Advise your Case Manager of any prescription or over the counter medications you may be taking. Be prepared to provide a valid prescription for prescribed medicines.
3. Wash your hands thoroughly with soap and water prior to providing the urine sample
4. **Be aware that all urine screens will be observed by your Case Manager or other program staff**
5. Failure to provide a valid urine sample at the time of request will result in your case being returned to court as non-complaint

It is a violation of Section 18.2-251.4 of the *Code of Virginia* to adulterate or substitute urine with the intent to defraud such test. Such an offense is a Class 1 Misdemeanor, punishable by up to 12 months in jail and a fine of up to \$2,500.00. Your case can be returned to court in violation if you submit an abnormal, adulterated or diluted urine sample. If the above mentioned steps are followed you will have no problem submitting a valid urine sample for testing.

**I understand that I am responsible for the cost of all drug tests. This includes any fee charged for confirmation testing, if I choose to contest the results of a test conducted by Old Dominion ASAP Staff.**

I acknowledge that I have read and understand the above information. I understand the consequences if I fail to submit valid urine sample for testing.
