To Bus & Trolley
Service in the
City of Winchester VA

How to Use the Winchester Transit Guide...

- Check the color coded map and route guide on pages 6-7 to find the page location for each route's detailed information, including maps and route schedules.
- Use the system maps for each route to find the bus route and stop nearest to your location.
- Turn to the specific route pages desired, where you will find maps and timetables for the major stops along the route. There are other stops in addition to the ones shown. To judge the time for your stop, check the timetable for the stops just before and after your stop.
- For transfer information, please see page 22. If your destination is not on the same route in which you board, you may need to transfer to another bus. The downtown transfer station located on Boscawen Street is the transfer point.
- Buses only stop at designated bus stops. Signs are blue with white lettering.
- For more information, visit our website at www.winchesterva.gov/transit.

Sorry, bikes are not allowed inside buses.

Types of Bikes Allowed - Only conventional, single- seat, two wheeled bikes with wheel sizes between 20"-29" and up to a 44" wheel base are allowed. Bikes with over-sized wheels, tandems, and motor powered bikes are not allowed.

Travel Tips

Winchester Transit wants to take you places. We are dedicated to providing you dependable, efficient, convenient, and safe travel. You can help us serve you better by keeping the following guidelines in mind:

- Have correct fare, ticket, or ID card ready as you board the bus.
- Remember your bus driver cannot make change.
- Do not eat, drink, or smoke on the bus.
- Reserve the front seats for seniors and individuals with disabilities.
- Do not use profane language or make excessive noise while on the bus.
- Use your transfer on the route and time in which it was issued.
- Remember your bus driver cannot accept expired transfers.
- Remember service animals are welcome. Pets are only permitted in an approved pet carrier.
- Remember buses cannot wait after the scheduled departure times in this guide.
- Remember you must be at a designated bus stop in order for the bus to pick you up.
- Remember that times listed in the timetables are approximate and you should be at your designated bus stop 5 minutes prior to the scheduled time.

With your help, we will better meet our published schedules, operate buses safely, and get you where you want to go. Please remember that the bus driver may refuse service to anyone not following these guidelines or whose behavior may be dangerous to safe travel. For further information or to share comments, please contact us at (540) 662-3982.

Bus Safety

- Be seated as soon as possible after boarding the bus.
- Do not block the aisle with strollers or packages.
- Remain seated until the bus comes to a complete stop.
- If the bus has standing room only, please stand as far to the rear of the bus as possible to allow for boarding passengers. Remember to always maintain a secure grip on the standee bar, as the bus may come to an unexpected or sudden stop.
- Pull the yellow cord about a block before your stop, wait until the bus comes to a complete stop, and then exit through the door.
- Do not cross in front of the bus after exiting.
- The use of seatbelts is highly recommended.

Para-Transit Service

The Complimentary Para-Transit Service, as required by the Americans with Disabilities Act of 1990 - as Amended, was developed to provide public transportation to those who are unable to use the fixed-route transit system due to a temporary or permanent disability. This is an origin to destination service whereby passengers are picked up at the curb of their pick-up point and delivered to the curb of their destination. Para-Transit Service is provided within the City and to those destinations which are within 3/4 of a mile from any city fixed-route bus stop.

Winchester Transit will accept approved para-transit cards from other transit systems for a period of 30 days.

Hours of Service

Monday through Friday - 6:00 am - 8:00 pm

Saturday - 9:00 am - 5:00 pm

Closed on Sundays and designated Holidays

Requirements

All persons who use the para-transit service must be issued a para-transit card. Applications are available on the Winchester Transit website at www.winchesterva.gov/transit or in the Winchester Transit office located at 301 East Cork Street. You may request an application through the mail by contacting the office at (540) 662-3982.

Scheduling Trips

Please call (540) 662-3982 the day before your requested trip to schedule transportation with our para-transit service. All trips are booked on a first come, first served basis. Drivers are scheduled to meet the number of calls scheduled. Call by Saturday to schedule a ride for Monday. You may leave a phone message on Sunday for service on Monday.

Fares

Adults (Ages 18 and over) - \$1.00

Half-Fare* - \$.50

Children under 2 - FREE

*Students, seniors 65 or older, individuals with disabilities, or Medicare card holders. To qualify for reduced fare, present WinTran Half-Fare Bus Pass when boarding. Applications for the half-fare bus pass are available at the Winchester Transit office at 301 East Cork Street, or at

City Hall on 15 N. Cameron Street. You may also contact Winchester Transit at 662-3982 for an application.

Assistance

Eligible riders who require assistance may have a Personal Care Attendant ride with them at no extra cost. Otherwise, additional passengers will pay \$1.00.

Winchester Transit reserves the right to require a personal care attendant for riders needing assistance. Drivers are not allowed to enter homes or destinations to assist passengers, or to assist with packages. Service is origin to destination only.

"No-Show" Policy

Failure to complete a requested trip on the para-transit service without notifying the dispatcher at least 30 minutes prior to the scheduled pick-up time will be recorded as a "no show". The City of Winchester reserves the right to temporarily suspend a person's eligibility for para-transit service if an excessive number of no-shows are recorded for that person. When no-shows occur, and before they become excessive, the dispatcher will contact the rider by phone. The person will be advised of the no-show policy. If no-shows continue, a letter will be sent to notify the person that their eligibility will be temporarily suspended. Eligibility will be suspended for one week for a first violation and one month for a second or subsequent violation. The suspension of service will become effective 14 days from the date the letter of notification is mailed, in order to allow the individual to appeal the suspension.

This service is offered for persons who have disabilities as described in the Americans with Disabilities Act of 1990, as Amended. It is not a senior citizen program or a social service program.
