ADDITIONAL INSTRUCTIONS

- Prior to issuance of a business license, registrant must obtain Zoning approval and file a Certificate of Assumed or Fictitious Name with the Virginia State Corporation Commission (www.scc.virginia.gov) if using a trade or assumed name.
- Contractors must provide current State contractor license information, State tradesman certification/license information, a Statement/Affidavit if not subject to licensure, a worker's compensation form, and a schedule of license taxes paid in other jurisdictions, if applicable.
- All tangible business personal property (other than vehicles/trailers) owned as of January 1 must be filed **annually by March 1** (or first business day thereafter) on the applicable Return form (762B for Business Equipment, 762S for BE-Outdoor Advertising, 762M for Manufacturing/Machinery & Tools, and 762P for Processors). Personal Property bills are due June 5 and December 5 (or first business day thereafter).
- **Business licenses must be renewed annually by March 1 (or first business day thereafter) and paid by April 1 (or first business day thereafter). If a business is not renewing its license because it closed or because it has gross receipts of less than \$4,000, you must notify the Commissioner's office so that your account record is updated accordingly and you are not sent a statutory assessment or a Summons for failure to file.**

BUSINESS WITH ESTIMATE OF LESS THAN \$4,000 OF TOTAL GROSS RECEIPTS

A business with a combined total of gross receipts for ALL license categories of your business that is estimated to be less than \$4,000 may wish to obtain a business license for the minimum fee although you are not required to do so. However, we do ask that you file with the Commissioner's office. If the estimated gross receipts are under \$4,000 but the business actually grosses more than \$4,000, then all the requirements of a business license must be met and the license purchased within 30 days of reaching the \$4,000 threshold. Please note that this exemption does not apply to licenses subject to a flat tax. Please complete and sign the form, reporting your estimated gross receipts, even if no license is required.
