PERMISSIBLE FIREWORKS

The member jurisdictions of the Northern Virginia Fire Marshals determine the acceptability of consumer fireworks offered for sale in the Northern Virginia Region through an annual evaluation and review process. Consumer fireworks that meet the performance criteria specified in the Fire Prevention Code during the evaluation and review process are classified as permissible fireworks and approved for sale. Frederick County follows these guidelines for the sale of fireworks to the citizens of the county.

The sale of permissible fireworks to persons under the age of 18 shall be prohibited unless the person is accompanied by a parent or legal guardian.

2016 APPROVED PERMISSIBLE FIREWORKS
